WEEKLY NEWSLETTER

Wisconsin Home Sales News

3-25-23 – Low inventory continues to hamper home sales in Wisconsin, keeping prices high. The number of home sales fell over 28% (year over year) while the median sale price rose over 11% (year over year). While these results vary across the entire state, most regions saw a similar situation. [CLICK HERE](#) to continue reading.

Today's Mortgage Rates

3-27-23 – It has been a wild ride to being 2023 for mortgage rates. In the recent weeks we have seen rates drop dramatically, opening up a potential for a great buying opportunity. [CLICK HERE](#) TO CONTINUE READING.
